SECOND INFORMATION DISCLOSURE STATEMENT

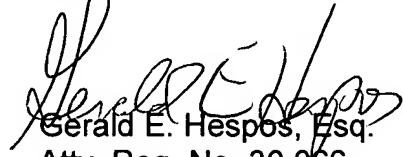

Sir:

This Information Disclosure Statement includes a copy of Form PTO-1449 that identifies two references. The JP2001-197649 reference corresponds to the Japanese Patent 3301021 that was identified in the original application in paragraph 0005. The attached copy of JP2001-197649 includes an English language abstract that was prepared for the Japanese Patent Office.

The other reference listed in the attached copy of Form PTO-1449 is the Utility Model that was mentioned briefly in paragraph 0006. A partial translation is attached and explains that the reference relates generally to a mechanism for feeding a cable to a slide door.

The Examiner is requested to consider these references during the examination and to make the references of record. Please change Deposit Account No. 03-1030 if there are any fees associated with this submission.
